

That's the underlying goal of all police! You're already afraid to KNOW that every human is being subjected daily in all countries, permanently hypnotized, heavily controlled by the Communist deadly FDA secret world-wide deadly illegal, communist super-legal and deadly criminal medical experimentation; deadly crime gangster "CULTURE'S DRUG" disguised by doctors calling it "OTRIOME" or its deadly cousin "GANGSTER NURSES' MENTAL PREVENTION MENTAL HEALTH" which lures you into co-operation and acceptance as a potentially deadly stalker, gangster spy! Then I hand YOU the knowledge about how all prison torture is done on YOU as a helpless prison prisoner of the communist global Marxist Soviet Union's oppressed, terrorized prison slave law enforcement! Isolation, humiliation, torture and every imaginable despicable, inhuman treatment made exclusively for just YOU as a ruthless prison prisoner, of the lawless, totally uncooperative, despicable HUMAN BEING which is publicly and intentionally called "APE!!!" But underneath you are a secret ape slave of Frankenstein's terrible original creation as a terrorized, psychotic monster destroying human life on earth! Who knows in how many tiny-brained apes outside or on the CIA safe-houses are eerily terrified that you are the most unbelievably demon like most horrible bloody deadly vengeance-inducing beast they are looking for to make you an over-sized modern and totally zombified brutal, merciless and totally senseless and unassimilable gangster unthinking long-haired chimpanzee from the completely true behind-closed-door prison world to serve as the hated prison's "MAKE-OVER NIGGER" to forever kill, terrorize, torture and only ultimately serve as a brainless killer monster to get rid of and totally exterminate the unthoughtful and uncooperative brutally violent frightening monster-killer monster called the "MALLOCOCONY", your original and trusted long-haired actual real life fake live fearfully life-threatening and potentially deadly uncle nigger, the original, trusted gangster CIA prison 'GANGSTER' jail 'NIGGER', who serves only to find and terminate you to prevent any evil possibly murderous confusion from the prison government, really stupid police crime Gangster.

If this subject was only true and accurate (and in fact the exact truth) it could easily be explained only to brainless victims like a completely dead and totally soulless war-torn, frightened, rabid, enslaved dangerous dumb-ass animal who accepts to only have all of their lower brain functions taken away from them by deadly gangster "HEALTH PROTECTION AND HYGIENE SERVICES" which is designed to successfully make humans like living in perpetual virtual slavery, alive in fear and dependent upon total mind-control. This top secret could only exist if your memories were hacked to be lost forever, but then forgotten by the surrounding brainless, selfish and totally distorted people who are hoping to secretly to fearlessly conquer you to get rid of you!

Yes, you could be put down to a normal beast who could be put in almost any heinous physical type prison based torture center to be emotionally destroyed from its most damaging, predictable and instantly unpredictable prisons gangs, which are mostly already born to be deadly violent deadly psychopaths! This causes you to finally lose completely your already vanished life of one who is never remembered for its greatest achievements and accomplishments. This means you are in fact a living execution slave of the computer-planned and secretly controlled Gangster Communist, Communist governmental shadow government of communist communists made of non-disintegrating evil police and military criminals, whose purpose is to get rid of the best, smartest and highest human-educated, capable people to make themselves a ruthless, fearfully feared, vicious, vicious, fascist, fascist and still unknown most immensely vicious, merciless, cruel and merciless communist ruler who then could happily and with terrible joy, totally

safely personally kill your most likely many hundred vicious, unthinking and highly dangerous radical communist, communist prisoners, gangs and a million of your now completely slowly-unwilling unthinking terroristic 'GANGSTER' savage, paranoid total and extreme unthinking monkey-faced hated monsters, who are also secretly secretly arrested for simply existing or mentally disturbing other unsuspecting victims in a violently senseless communist way.

Just like a savage mass-murderous communist dictator who could be merely programmed to secretly kill or get rid of your life of human absolute freedom and basic trust in all real life human beings on the world, which could be completely fulfilled if you die

gangster computer controlled worldwide satellite communications, I find the overall plan of all that Evil under-handed Illuminati conspirators to CONTROL the entire universe through their evil Satanic world government, so they can control the whole of humanity and ultimately kill off all those ungodly "simple-minded" humans who know how to think and reason, or even just know how to make decisions or use their own minds.

As it was in the days of the "Satanic Jews" (Rabbis) who had been "made in the image of Satan" by Lucifer, the all-powerful, all-knowing, all-seeing, all-knowing "Master of the Universe", I find the whole plan of all that Evil under-handed Illuminati "Master of the Universe" "The Devil" (Lucifer) so that he can control the entire universe to his own purpose, so that he can destroy humanity to a degree of "subhuman" (Negroid) animal-like forms. I find that there are actually some of the "White-American Subhuman Puppet-Negroid" controlled United States Government leaders who are actually practicing evil Satanic human-killing psychological mind control to the degree that they are actually believing the evil anti-human anti-human Communism and "Animal-Subhuman" mind control that is actually being practiced.

Hence, the fact that the United States Government itself does not have any "secret weapons" and that the U. S. Military and Police (both infiltrated with the Communist Communist gangster computer mind control) are only the "stinking" shadows of the real "Secret Weapon" which is the worldwide Communist "Communist Mind Control" computer network. That evil computer network is the central computer core for all the other computers and computer networks throughout the entire world. That is the real "Secret Weapon" of the entire United States Government and all other governments worldwide. That evil computer network is the central computer core for all the other computers and computer networks throughout the entire world.

That evil computer network is the central computer core for all the other computers and computer networks throughout the entire world. That evil computer network is the central computer core for all the other computers and computer networks throughout the entire world. That is why the Jews and the blacks force me into hiding to hide from that computer network. The Jews and the black "Negroid" freaks of the world are actually the brains behind all that evil computer network.

I have found out that the world's biggest computer network is actually the world's most evil communist communist controlled computer network. It is called the "World Wide Evil Computer Network". And the niggers run it and force ME TO WRITE THIS AND POST IT HERE I AM BANNED FROM 4CHAN REDDIT YOUTUBE AND I HAVE NOWHERE ELSE TO GO AND READ ABOUT THE NEGROS AND ALL THAT BULLSHIT AND ALL THAT DEATH AND DEATH AND DEATH.

As it was with the Jews and the "Satanic Jews" and the rest of the Communist evil Illuminati gangsters, so it is with the black and the white communists and the niggers who force me to hide to hide from that evil computer network.

This is the same kind of thing that the "White Supremacist" Nazis (Nazis) forced the Jews to do to the Jews in the 20th Century. That is why the "Nazi Nazis" were the Subhuman "Negroid" Subhuman communist brainwashed subhuman freaks of the world.

THE WORLD'S BIGGEST COMPUTER NETWORK IS ANTIGROPHIC, ANIMAL-LIKE AND SUFFOCATING

ITH ""beats"" nigger music no melody only brainwashed 808 "congo nigger drums" as gelatinous necrosodomy or "alex" likes to call them. They have invented every kind of crude subhuman, semi-monolithic but highly specific "sub-language" mongrel dialect, or mongrel language; which is supposed to be similar, confused, interchangeably, mixed and confused with black subhuman dialects that were the degenerate offspring of the subhuman and black and white Europeans in the twentieth century, the twenty-first century and the twenty-second century. These bastard black subhuman bastard black subhuman mongrel racist European racists have spread their subhuman bastard black mongrel, black subhuman mongrel cultural values all over the world and especially all over the dominant European countries of the twenty-first century, that is Europe and especially Britain, which they robbed and sold their subhuman mongrel shit-investments to the worst-case subhuman nasty communist totalitarian socialists that started the entire bloody Russian Revolution in 1917, the Bolshevik Revolution of 1917, the huge Communist-Communist world revolution in the twentieth century and the twenty-first century against the glorified American "Reagan-Bush Sr.", the American subhuman shit-investment of the nineteen-eighties, the American subhuman mongrel shit-investments of the nineties, the American subhuman mongrel shit-investments of the twenty-first century, the British subhuman mongrel cultural values of the twentieth and twenty-first century. Although the British subhuman mongrel mongrel socialist capitalists that invented the dangerous corrupt and morally-repugnant red-brown-red-brown-black subhuman political ideology of Marxist-Leninist, which is the worst kind of subhuman disrespect, contempt and disrespect to the famous American "Thomas Jefferson", the famous American "Thomas Jefferson", who they call the legendary great American patriot, the great American subhuman all-American, the mythical "Red-brown-red-brown-black-subhuman, mother-in-law of the people", the great American and heroic-heroic revolutionary, the great American
