Qijian Bio

<https://www.qijianbio.com>

86-431-81285900

Low dimer, 98-99% purity GH for \$0.23 per iu API powder in bulk (allegedly). They also have pretty cheap lyophilized vials

Kova Bio

<https://www.kovabio.com/products?cat=fgfr3-modulators>

Vosoritide, infigratinib, erdafitinib, cheap 98% purity GH, abaloparatide, TYRA-300.

Option to custom dose tablets and lyophilized vials. Also sell raw API powder. All 3 options have different costs. You must tell them how much you want villed per vial or tablet, its a complicated process. They ignore you if you dont specifically say the amount you need. Also you need to larp as a company on \$2k+ orders.
